Announcements

- NO SCHOOL: Friday, September 4, and Monday, September 7
- Mrs. Zenk will be gone: Tuesday, September 1. If there are any bus changes, please let me know Monday or call the office on Tuesday.
- Math Books were sent home today. The note on the cover explains a little bit about them. The box above lists the pages each week. They will also be on my website. Let me know if you have questions.

Dear Families,

Our Kindergarten year is off to a great start. A HUGE thank you to all of you for all of the paperwork, phone calls, e-mails, and notes. It shows how invested you are in your child's education :) The students have been enjoying our alphabet projects that go along with each letter of the alphabet. We also had shaving cream out for a "messy" time. Gym, Library, Music, Challenge, Art, and Counselor have also been experiences the students have been able to participate in.

Next week we will continue working on our letters of the Alphabet. The students will also get a new popcorn word: the. They enjoy acting like popcorn to spell the words. We will begin working in our Math books (they came today!) and being able to learn new concepts and vocabulary!

Finally, I am going to be sending photos out frequently through Remind 101, so if you are not signed up yet, please do so. Both parents are able to sign up if you like.

If you have any questions or concerns, please let me know!

Have a great weekend.

-Mrs. Zenk
