Dear Families,

It was an interesting week learning about the letter Ii. We discussed the parts of an insect, and created our own. We also did a sentence writing for Veteran's Day, investigated inches, and discussed some things about the 1st Thanksgiving.

Next week we will be busy learning about the letter Bb. We will be creating a butterfly while practicing symmetry, as well as bears and hibernation, and a hand and foot turkey. All of these things will be helping us with our fine motor skills as well! The students will also be working on a few things to help us prepare for our big feast!

Finally, my heart is absolutely full from all of the support you showed this week to help Evan. The penny war was a huge success, and although we don't know the results yet, the generosity you showed was AMAZING!! THANK YOU! THANK YOU!

If you have any questions or concerns, please let me know! Have a great weekend. -Mrs. Zenk
