Dear Families,

The students had an excellent time at our Thanksgiving Feast! THANK YOU THANK YOU for all of the supplies to sent to make this possible. It was so fun to see the students so excited and engaged in the games and feasting we did. The students also created a little video about the things we are thankful for. If you scan the QR code, it will take you to the video! I hope many of you will participate in this and give me feedback, as I would love to use this for other things :)

Next week we will work on the Letter Nn. We will be working on the /n/ sound at the beginning and ending of words. We will also be introducing 3 new popcorn words, and a new pocket poem. The students will also be wrapping up Chapter 4 in Math. We will also be doing a noodle experiment and discussing and drawing nocturnal animals.

May you all be blessed with a wonderful Thanksgiving. I am so thankful for a wonderful class and their families. -Mrs. Zenk
