- Veteran's Day Program: 10:00 Wednesday Nov 11th
- Thanksgiving Feast: Tuesday, November 24
- NO SCHOOL: Wednesday, November 25-Friday, November 27th
- Christmas Concert: Thursday, December 3

Dear Families,

Sneaky Cc made for a fun and interesting week learning about the letter Cc. The students did a great job of listening for the letter Cc. We worked on writing and stretching out words using our sounds, and the students are really improving on this. We read a story about a chameleon and Cookie, the cat, who was rather naughty. We discussed sequencing the stories as well. In Math, we continue to work on numbers 6-9. Students just need to be sure we are always counting carefully.

Next week we are going to introduce another vowel. Ii can be a very tricky letter for students, so we will work very hard on this sound and hearing it in the middle of words. We will also wrap up our Chapter 3 in Math, and take our test. Veteran's Day is on Wednesday, and we will be attending a program in the morning to help honor our Veterans. The students made a small craft that will be given to the Veterans, and we will be doing some other projects to help us learn more about this Special Day!

If you have any questions or concerns, please let me know! Have a great weekend. -Mrs. Zenk
