Dear Families,

The students did an AMAZING job on our report card testing! I can't wait to share all of this information with you at conferences. Between all of the testing, we also discussed apples and pumpkins. To help get ready for Red Ribbon Week, we make an art project to decorate our door for the contest. In Math, we wrapped up Chapter 1. The students really had to listen on our Math test.

Next week we will be learning about the letter Pp. The students will also be introduced to 3 new popcorn words. We will begin working on reading more by sounding out words, and recognizing our popcorn words as we read. In Math, we will start Chapter 2. This is a short chapter, but it has very important vocabulary that students need to understand as we move forward with numbers.

Hopefully we survive the field trip :)

If you have any questions or concerns, please let me know! Have a great weekend. -Mrs. Zenk
