- Conferences: Thursday, October 29-**DISMISS at 1:00!**
- NO SCHOOL: Friday, October 30
- Thanksgiving Feast: Tuesday, November 24

Dear Families,

It was a Perfect Pp week. The students are really starting to listen and find the sounds in words! We continue to work on writing words using sounds, as well as reading words using our sounds. Right now we are only doing it with sounds we have learned, but will quickly start using the whole alphabet. In Math, we worked on greater than and less than and students needed to use the Ipads to show examples. They had a fun time creating their own problems!

Next week we will be reviewing the letters we have learned so far: m, a, s, t, and p. We will also be drilling our popcorn words so we have those memorized! We will also be playing some fun games and creating a few fun projects! The students are also hoping to earn their pumpkin party! In Math, we will wrap up our short chapter and take our Chapter 2 test! It will be a short week full of fun!

If you have any questions or concerns, please let me know! Have a great weekend. -Mrs. Zenk
