Announcements

- Field Trip: Friday, October 16th. More details coming soon!
- Please continue to check your child's folder each night. Remove papers each night so that their folder doesn't get too full :)
- Mystery Bags start next week. A note will come home on Monday giving all the details!
-

Dear Families,

The students had a great week wrapping up our Alphabet Introduction! They are quite proud of all of the art projects they completed to match the letters of the Alphabet! Check it out :) The students also enjoyed our morning center work on our popcorn words. We worked in our Math books, as well as found shapes all around us.

Next week is Homecoming Week! Go MUSTANGS!!!! A separate note was sent home today that indicates what each dress up day is. I encourage you to help your child dress up when possible! We also begin our one letter a week study. We work on words that start with the letter, syllables in words with this letter, writing the letter correctly, and recognizing the letter/sound in words.

Thank you for your responses with class dojo. As of right now, I will use Remind 101 for pictures as you are able to download them off of there. If you figure out how to download them in Class Dojo, I would appreciate you sharing so we are then able to do all communication through Class Dojo.

If you have any questions or concerns, please let me know! Have a great weekend. -Mrs. Zenk
