- Math Book Reminder: Please keep your Math books at home. I will ask for them back in October before conferences.
- Field Trip: Friday, October 16th. More details coming soon!

Dear Families,

KG had a short, but busy week this week. We spent the week learning more letters and the sounds they make, as well as creating our art projects to match them! A favorite art project was Q-tip painting. The students also enjoyed working on Math on the Promethean Board. I also heard so much about working on their Math books at home, and they can't wait to have more homework! :) On Monday, students also completed testing for our AIMS Web. Reports will be sent home next week.

Next week we are going to wrap up our general alphabet review before we dive into a letter a week. The students will be finishing up our Alphabet Art books so be sure to check that out! We will also be learning more shapes and vocabulary in Math.

If you have any questions or concerns, please let me know!

Have a great weekend.

-Mrs. Zenk
